

Curriculum vitae M. Taborsky

Name: **Michael Taborsky**
Nationality: Austrian
Date of birth: 8 February 1955
Position: **Codirector**, Institute of Ecology and Evolution
Chair, Div. Behavioural Ecology; University of Bern
URL website: <http://behav.zoology.unibe.ch/index.php?p=109>

Career history

2000 -- **Full Professor and Chair** of Behavioural Ecology, Co-director
Inst. Ecol. Evol. University of Bern
2000 **Associate Professor**, University of Vienna
1993 - 2000 **Deputy director** of KLIVV (Austrian Academy of Sciences); since 1995 Oberrat
1992 **Habilitation**, University of Vienna
1986 - 2000 **Research scientist** at KLIVV (Austrian Academy of Sciences), Vienna
1984-1985 **Max-Planck postdoctoral fellow** at MPI Behavioural Physiology, Seewiesen
1982-1983 **DFG postdoctoral fellow** at MPI Behavioural Physiology, Seewiesen and STARESO, Corsica
1982 **Graduation (PhD)** at University of Vienna, Major Zoology

Academic duties, editorial positions, honours and awards (reverse chronology)

- **Editor** of *Behavioural Ecology* (2017 - 2020)
- **Acting Director** Institute of Zoology, University of Berne (2006 – 2008; 2016 - 2018)
- **Review Editor** for *Frontiers in Ecology and Evolution* (2016 -)
- **Acting Director** Department of Biology, University of Berne (2013-2015)
- **Vice-Dean** Science Faculty, University of Berne (2005 - 2007)
- **President** Ethologische Gesellschaft e.V. (2003 - 2006)
- **Secretary General** International Council of Ethologists (ICE; 2003 - 2006)
- **Editor-in-chief** of *Ethology* (2000 - 2010)
- **Vice-president** Ethologische Gesellschaft e.V. (1999 – 2002)
- **Secretary General Elect** of ICE (1999 - 2003)
- **Editor** of *Ethology* (1998 – 1999)
- **Chairman** XXV International Ethological Conference (Vienna 1997)
- **Chairman** Ethologische Gesellschaft e.V. (1993 – 1997)
- **Theodor-Körner-Prize**, Vienna, Austria (1997)

Scientific publications

217 peer reviewed publications listed in the ISI Web of Science and by Google Scholar, cited **13'021** times (average **60**/paper), **h-index = 62** (source: Google Scholar, as of 9 June 2020).

For full list of publications and available downloads see <http://behav.zoology.unibe.ch/index.php?p=83>

I have published in a diverse array of disciplines and types of journals, including journals specialized in:

<u>General science</u>	(13 papers: Nature; Nature Comm; Science Advances; PNAS; PLoSOne; Roy Soc Open Sci; Sci Rep)
<u>General biology</u>	(27 papers: Current Biology; PLoS Biology; Proc Roy Soc B; Phil Trans Roy Soc B; Biol Lett; Biol Rev)
<u>Ecology and evolution</u>	(29 papers: Nature Ecol Evol; Ecol Lett; Evolution; J Evol Biol; Trends Ecol Evol; BMC Evol Biol; Funct Ecol; Ecol Evol)
<u>Animal behaviour</u>	(92 papers: Anim Behav; Behav Ecol; Behav Ecol Sociobiol; Ethology; Behaviour; Adv Study Behav; Curr Opin Behav Sci; Behav Process; Appl Anim Behav Sci)
<u>Animal physiology</u>	(7 papers: Horm Behav; Trends Neurosci; J Comp Physiol B; J Exp Zool A; Physiol Behav; J Exp Biol)
<u>Genetics/microbiology</u>	(3 papers: Mol Phylogenet Evol; J Heredity; FEMS Microbiol Ecol)
<u>Psychology</u>	(3 papers: J Comp Psychol; Learn Behav)
<u>Theoretical biology</u>	(2 papers: J Theor Biol)
<u>Marine biology</u>	(2 papers: Marine Biol, Marine Ecol PSZNI)
<u>Taxon oriented journals</u>	(several ; including entomology, arachnology, fish biology, ornithology)

I have contributed **19 invited chapters** to edited books published, among others, by Cambridge University Press (8 chapters in 5 books), Oxford University Press, Elsevier, Springer

I edited/co-edited **1 book** ("**Alternative Reproductive Tactics: An Integrative Approach**" Cambridge Univ. Press 2008) and **4 special journal issues** (Phil Trans Roy Soc B, Advances in Ethology, J Ornithol, Funct Ecol)

I have written a book for Cambridge University Press on "**The Evolution of Social Behaviour**" (authors: Taborsky, M, Cant, M & Komdeur, J; to appear in autumn 2020)

Scientific impact

Citations per year (source: Google Scholar, 9 June 2020)

Last five years track-record:

Over the last 5 years I have published **57** peer reviewed papers listed by ISI Web of Science and Google Scholar, including papers published in major interdisciplinary journals (Science Advances, PNAS, Current Biology, Philosophical Transactions of the Royal Society) and in the leading journals of my research field (e.g., Proceedings of the Royal Society B, Evolution, Functional Ecology, Nature Ecology & Evolution, Behavioral Ecology, Animal Behaviour, Trends in Neurosciences, Biology Letters).

Impact: Total number citations (Google Scholar, 9 June 2020) **13'021**; **h-index = 62**.

Supervision of Graduate students and Post-Docs

- Supervisor of **40** doctoral dissertations (PhD)
- Supervisor of **19** Post-Doctoral Researchers at the Universities of Vienna and Bern, from Canada (4), Czech Republic, Finland, Germany (2), Netherlands (2), UK, Sweden, and Switzerland
- Supervisor of **67** master theses (and Diplomarbeiten; only successfully completed theses are listed) at Ludwig-Maximilians-University Munich, University of Vienna, University of Bielefeld, University of Bern and Rijksuniversiteit Groningen
- External examiner of **12** PhD-candidates at the Universities of Auckland, Bielefeld, Dijon, Exeter, Grahamstown, Groningen, Leiden, Stockholm and Vienna
- Co-supervisor of international PhD and Master students from Austria, Netherlands, Columbia, Portugal, and South Korea
- Ongoing supervision: 2 Post-Docs, 5 PhD students and 5 Master students

Furthermore, during the last 10 years I have been invited to act as external expert in doctoral programs at universities in Santiago (Chile), Mexico City (Mexico), Turku (Finland) and Kiel (Germany), and I have acted as external examiner at PhD-defences at the Universities of Dijon, Exeter, Groningen, Okinawa, and Stockholm.

Several of my MSc and PhD-students won prizes with their thesis (7x Faculty Prize Univ. Bern, 4x Volz Prize, 2x Dr. Lutz Zwillenberg Prize, 1x Horst-Wiehe-Prize). Among the PhD-students and post-docs I have supervised, presently one is head of a clinical research centre, 8 are university professors, 6 university lecturers, 4 junior research group leaders, 9 post-docs, 1 environmental program coordinator, 3 research administrators and governmental coordinators, 1 public health coordinator; they are employed in 18 academic institutions in 9 countries (incl. Universities of Cambridge (UK), Exeter (UK), Bristol (UK), Manchester Metropolitan (UK), Edinburgh (UK), Ohio State (USA), McMaster/Hamilton (Canada), Memorial-Newfoundland (Canada), Vienna (Austria), Linz (Austria), Helsinki (Finland), Zürich (Switzerland), Bern (Switzerland), Neuchatel (Switzerland), Groningen (Netherlands), Nagano (Japan)), Linnaeus University (Sweden).

Organisation of Scientific meetings and Symposia

Chaired, organized and co-organized **19** international conferences and symposia, ranging in size from 25 to 1000 participants. Chaired and co-chaired three International Ethological Conferences (IEC) as Organizer in Vienna (Austria; 1997) and as Secretary General of the International Council of Ethologists in Halifax (Canada; 2007) and Rennes (France; 2009). Organization of **9** international symposia in Adelboden and Arolla (Switzerland). Between March 2011 and October 2012 I was invited as European representative to participate in the NESCent initiative "Integrative models of vertebrate sociality: evolution, mechanism and emergent properties" at The National Evolutionary Synthesis Center at Durham (Duke University, USA).

Presentations at meetings/invited seminars

21 invited talks and plenaries at international conferences, 74 contributed spoken papers at international meetings, 119 supervised/co-authored student poster papers at international meetings (6 have won Best Poster-Awards), 86 invited talks at universities/research institutions.

Current institutional duties

Teaching: Regular courses in ecology, evolution and behaviour at undergraduate and graduate levels at the Universities of Bern and Vienna.

Administrative: Codirector of Inst. Ecol. Evol. and Chair of Behavioural Ecology Division, University of Bern.

Reviewing

Grant proposals reviewed for 13 international funding organizations. Manuscripts reviewed for 48 science journals. Book proposals reviewed for 5 science publishers. ERC panel member for Consolidator Grants.

Collaborations

Collaborations have included researchers from academic institutions in (in alphabetical order): Austria (Graz, Vienna), Canada (Laval, McMaster/Hamilton), Germany (Seewiesen, Konstanz Leipzig, Regensburg), Japan (Kyoto, Nagano, Osaka), Netherlands (Groningen), New Zealand (Auckland), Portugal (Lisbon, Porto), Sweden (Kalmar, Uppsala), Switzerland (Basel, Neuchatel), United Kingdom (Bristol, Cambridge, Exeter, Glasgow), USA (Austin, Ohio State, Santa Barbara), Zambia (Lusaka).

Research expeditions:

7 expeditions led to Tanzania and Zambia (Lake Tanganyika) in the last 10 years.

Professional and public recognition

In 2011, the "*Laborjournal*" classified the most cited behavioural biologists in the years 2004-2007, which listed me in the 4th place (http://www.laborjournal.de/rubric/ranking/R11_01/start.lasso).

In the last 10 years, public media have reported about my work on >>100 occasions. This includes >50 newspaper reports (including NZZ, Frankfurter Allgemeine Zeitung, der Standard, Profil, Süddeutsche Zeitung, The Economist, New York Times), 21 press agency releases (SDA, APA, Univ. Bern, Edinburgh, Würzburg), 26 science media webpages, 14 radio and TV programs (in Germany and Switzerland), and 7 reports on my work in scientific journals (including Nature News, Science News, National Geographic, Animal Behaviour Focus).

Publications Michael Taborsky 2015 - May 2020

- 220 Jungwirth, A., Zöttl, M., Bonfils, D., Josi, D., Frommen, J.G., Taborsky, M. (2020). Philopatry universally yields higher fitness in a cooperative breeder with sex-biased dispersal. **Science Advances** (prelim. accepted).
